HAWAIIAN LUAU DRESS REHEARSAL  
... St. Albert beauties to perform Friday, March 14

## Rehearsals in full swing for league's Hawaiian Luau

Rehearsals have been going on in full swing to make the Hawaiian Luau, sponsored by the St. Albert and District Community League, a very entertaining evening for families.

for families, young and old, March 14.

All talent participating,

under the direction of Mrs. Elmer Harrison, show great enthusiasm to get the show off the ground.

All talent is drawn from St. Albert and district and have spent many hours rehearsing their acts.

A beautiful meal is being planned with all the appropriate

table decorations to make the supper an outstanding part of the evening. The supper will be served by 30 lovely young ladies dressed in native Hawaiian sarongs, from our local high schools.

Entertainment will be continuous during the supper followed by dancing for young and old upstairs and downstairs.

For the grand finale at midnight a professional Hawaiian troupe, including a real Tahitian princess, has been booked.

Admission for the evening including supper, show and dancing is \$2.50 per person. Doors open at 7 p.m., with the supper and show starting at 7:30.

For information regarding tickets phone 599-7131 or 599-7003.

## Arena fund gets \$450 boost

The St. Albert and District Arena Committee is looking for volunteers to assist in its fund drive and handle other chores.

"We've got lots of work for everyone," says Marcel De Champlain, committee chairman. Anyone interested in assisting may phone

Marcel at 599-7003.

The fund received a \$450 boost this past week with a \$200 donation from Willowbrook Homes Ltd., \$100 from Gene Perron, \$100 from Bernont Insurance Agencies and \$50 from Patricia and Allen McQueen, 33 Gainsborough Ave.

## Board probing problems at Leo Nickerson School

The board of trustees of the St. Albert Separate Protestant School District has launched an investigation into reported staff problems at Leo Nickerson Elementary School.

Mrs. Muriel Martin, supervisor of elementary education, has been temporarily assigned to the school to prepare a remedial report for the board.

The investigation was prompted by the resignations of Principal Joseph Garber and his wife, Thelma. They will leave the school district at the close of the term.

Board Chairman Charles Schroder Monday night admitted there were problems at the school, but he said that "exactly what they

are is a little hard to say. We hope they are minimal."

He said the board felt that this would be a good time to look at things, before a new principal takes over.

Mr. Schroder said Mrs. Martin would be looking at teachers and their qualifications to handle their present assignments.

## St. Albert vehicles must be inspected; Mayor to protest

Mayor Ray Gibbon today protested the provincial government's decision forcing St. Albert residents to run their motor vehicles through the safety inspection centre being operated by the City of Edmonton.

"I'm drafting a letter of protest to be sent to the cabinet and also will be contacting all cabinet members, our MLA (Keith Ewert) and the opposition members," the mayor said.

"St. Albert, and the other centres affected by the decision, must have an extension." He said it was too much to expect people who owned cars made in 1960 or earlier to

meet the March 31 deadline. "Many people have an older car as a second car," he said, "and many put them up for the winter. They will have to dig them out and crash-land them in front of the testing centre, because if they wait until April they will be over the deadline and will be driving them illegally."

The mayor also said St. Albert "shouldn't have to pay money to Edmonton. Where is our cut?"

Compulsory testing was extended to 16 towns and villages and the rural routes surrounding them by an order-in-council passed by the provincial cabinet Monday.

Previously only vehicles

registered to persons living within the city limits were required to undergo inspection.

C. J. Kenway, registrar of the motor vehicles branch said Tuesday the extension would provide for good safety enforcement because many of these vehicles would be driven on city streets on many occasions.

The order-in-council specifies that motor vehicles bearing a registration certificate with an address within a 10-mile radius from the city's corporate boundaries must be tested.

Centres affected will be St. Albert, Sherwood Park, Lancaster Park, Fort Saskatchewan, Clover Bar, Bremner, Ardrossan, Hercules, Beaumont, Ellerslie, Nisku, Devon, Winterburn and Villeneuve.

Other testing deadlines are: June 30 for vehicles manufactured in 1961, 1962 and 1963; Sept. 30 for vehicles manufactured in 1964 and 1965; and the end of the year for vehicles manufactured in 1966 and later.

The motor vehicle inspection centre is located at 116th Avenue and 80th Street in the old Edmonton Transit System barns.

## Church planning low-cost homes

The Catholic Archdiocese of Edmonton has applied for rezoning of a 130-acre parcel of land it owns between Edmonton and St. Albert for a low-cost housing project.

In a letter to the Edmonton Regional Planning Commission it indicated lots would sell for about \$500 plus prepaid utilities, which could mean as much as an additional \$3,000.

The Archdiocese said in the letter that 1,300 units

could be spread over the 130 acres.

The ERPC temporarily shelved the proposal while it sought the opinion of surrounding municipalities.

Bill Flynn, Municipal District of Sturgeon representative on the Commission, said that such a development would partially destroy the green belt and would also create an undesirable small town, wedged between Edmonton and St. Albert.

Mayor Ray Gibbon of St. Albert said he was definitely opposed to the development. Plans are in a very preliminary stage.

He said the cost of service lines to the development would be fantastic and if it received them from St. Albert, the economic drain on the town would be formidable.

He said it was unfortunate that many people couldn't obtain housing, but he couldn't see how council could blow the town's economy by supporting such a project.

## Day of Prayer

Growing in Christ was the theme of a World Day of Prayer service held in the United Church last Friday.

Frank Dolphin, associate editor of the Western Catholic Reporter, gave the key address.

About 50 St. Albert women representing the United, Roman Catholic, Lutheran, Presbyterian and Anglican Churches took part in the service.

**FIGURE SKATING**  
The Canadian National tests for the Learn-to-Skate classes will be held at Grosvenor Park Rink on Wednesday March 12 at 4 p.m. The power skating tests will be held at the same rink at 5 p.m.

**SKIHG**  
For the last few Sunday afternoons a group of children from five years of age and up has gathered at 2 p.m. at the top of Mission Park where they've been taken through the initial stages of learning to ski. Their instructor has been a young man, Neal Peterson, who with his family recently

came from Burns Lake to live in St. Albert. He volunteered his services in response to an item in this column which simply asked for someone to teach children who had received skis for Christmas and who couldn't ski. Neal did an excellent job and all the children improved greatly during the short course of lessons and his services are much appreciated by both the children and their parents. Linda Brindle and Chris Soder were two other young people who helped out when on one occasion Neal had a twisted ankle and on another when he was away for a long weekend following his favorite sport -- skiing!

The Sunday skiing lessons are now over for this year.

## Patrick speaks in Morinville

VILLE - The Hon. Mr. Patrick, Minister of Agriculture, Industry and the guest speaker at the March meeting of the Morinville Board of Trade members were present.

Mr. Patrick spoke on the future of the province, and the need to develop secondary industries in Alberta, apart from our present resources and industries. He mentioned the fact that a high energy study has been commissioned by the province to see if it is possible to use Alberta power from the province's huge coal reserves to develop steel production. Mr. Patrick also said that it was becoming desirable to decentralize industry, and that the Alberta government was trying to get industries established in towns like Morinville.

Mr. John Wozney, president, thanked the guest speaker.

Mayor Stapleton also addressed the meeting. He announced that the town council had begun a survey of what must be done to make the town desirable, to attract new industries and new businesses as well as more residents building new homes.

He also announced that the rebuilding of the old No. 2 highway has been authorized by the provincial government and that tenders will soon be called.

He also outlined the town program for street building comprising a complete survey of all sections, within town limits. He stressed the fact that much money would be saved if all the work could be done while the equipment is in town doing the highway section.

The members of the Board of Trade indicated that they supported the program.

proved popular with young and old alike.

The concluding presentation was a dancing session with Morinville Club presiding. Mrs. Ray Rigney, past president of the Sturgeon 4-H District Council, also addressed the meeting and congratulated all clubs and their leaders on their successes.

The evening concluded with a lunch and a dance.

The Morinville 4-H leaders responsible for this outstanding rally are: Mrs. Rose Brennels, Ambrose Brennels, Roland Riopel, Art Soetart, Roland Ricard, Mrs.

The Villeneuve 4-H Beef Club has been quite busy in the last few months. On Dec. 21, 1968, the Beef Club hosted a Christmas party. The Morinville Beef and Clothing Clubs, the Sturgeon Valley Dairy Club and the Villeneuve Clothing Club attended a social evening and heard a talk on wildlife and soil conservation.

The next few weeks will prove to be quite hectic for the entire club. On March 21, the Villeneuve Beef Club will sponsor a skating party at the Villeneuve Rink. On April 7, there will be a tour of the fairs. On April 10 or 11, the club will go on a tour of interest. We hope that these various activities will be held, as planned.

# Joanne Harvey named top all-round Student

Joanne Harvey received the Harvey Trophy as the best all-round student in Grade 6 in the 1967-68 term at Sir Alexander Mackenzie Elementary School's annual Awards Night last week.

The award, sponsored by Mr. and Mrs. Ron Harvey, goes to the student who combines a high degree of ability academically and athletically with sound principles of citizenship.

Joanne, no relation to the sponsors, received the

award from Donald Hunt. Joanne also received the Academic Award as the student with the highest marks in Grade 6. Other honors students in the grade were Katherine Olson, Tony Bellward, Stuart Johnston and Jill Schinkinger.

About 250 persons attended the Awards Night, which was chaired by Robert Prather. Rev. Leonard Musto gave the invocation and Charles Schroder, chairman, brought greetings from the

## Students entering building business

Ten students in Grade 9A woodworking at St. Albert High School have entered the housebuilding business on a modest scale.

Under the direction of teacher Art Demers, they are constructing an 11 by 10 foot playhouse which they plan to sell.

Mr. Demers said the project comes under the heading of industry. He said it was one of the biggest a Grade 9 woodworking class has undertaken at the school. Lawrence Ricard, 14, said it is hoped to have the playhouse built by mid-April.

## Comets sidelined in provincial play

Fort Saskatchewan is as far as the provincial playoff trail went for St. Albert Comets.

Fort Saskatchewan Huskies bounced the Comets 6-4 Sunday afternoon to win the intermediate 'B' two-game total-goal zone playoff 13-6.

The Huskies had won the opening game 7-2 two weeks ago, breaking loose for four

unanswered goals in the third period.

They did the same thing Sunday, but it wasn't quite as dramatic as although they were trailing 4-2 in the game, they had a comfortable three-goal margin on the road.

The first period closed with the teams tied 2-2 but Comets surged into a 4-2 lead in the second.

Comets, down to twolines because of injuries, tired in the third, however, and Huskies knocked in four straight goals.

Jim Reid scored two goals for Comets and Ron Yanosik and Vic Roberge got the others.

Comets' goalie Ray Busche left the game late in the first period. He was injured when he went down in a pile-up in front of the goal. Rene Broder finished the game.

To gain the final, Comets disposed of Barrhead Chiefs and the Rockets dumped Spruce Grove Fuhr Mercuries. Both best-of-five series went four games.

Comets took a 2-0 lead in games against Chiefs, then were hammered 7-2 in Morinville last Tuesday. The jolt was only momentary, however, as they rebounded for a 7-4 victory

in Barrhead Friday.

The final contest was a seesaw affair, with the lead changing hands several times until Al Miller scored at the close of the second period to give Comets a 5-4 lead. They stayed in front with two more counters in the third. The first period ended in a 2-2 tie.

Other Comet scorers were Rich Perreault and Fred Hesse, each with two, and Dave Joyal and Joe Cassidy. Cassidy, leading the St. Albert attack all night, also had four assists.

Bredo had three goals for Barrhead and Ciochetti got the other.

Comets got a bad game out of their system in the Tuesday encounter. They trailed 2-1 after the first period and 5-1 after the second.

Cassidy and Joyal were the only St. Albert marksmen.

Ciochetti, with two, Tiemstra, Bentz, Visser, Bredo and Loitz scored for Barrhead.

## Beware of ice

-- If ice is only one inch thick, stay off.

-- When ice reaches a thickness of two inches, it's safe for one person only.

-- At three inches, ice will support small groups in single file.

-- At four inches or more, most activities -- skating, skiing, sledding, ice fishing -- are safe. An exception is snowmobiling; these machines with passengers can weigh from 600 pounds to half a ton, and even allowing for their wide treads, they must have several additional inches of ice.

Should you have the misfortune to accidentally break through thin ice, don't panic and don't try to "climb" out. Du Pont Safety Adviser Mr. Abbott advises.

"Attempts to climb out will probably only cause the edge of the ice to crack off. Instead, try to extend both arms along the surface of the ice to spread your weight."

## Facts about March

March brings in spring and ends the winter. Spring in the northern half of the world begins with the vernal equinox, which almost always occurs on March 21. On this day, the sun rises directly in the east and sets directly in the west, so that the length of the day is exactly equal to the length of the night.

In the Old Testament reads, "To every thing there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted."

March is a time to be born as it seems the earth itself is being reborn.

## Blackhawks again bantam champions

Black Hawks repeated as champions of the bantam section of the St. Albert Kiwanis Minor Hockey Association last week as they defeated Stedebauer 5-3.

Gordon Belrose and Raymond Gamache each scored two goals for Black Hawks and George Bergevin got the other. Timmy O'Neill scored all Stedebauer's goals.

It was the luck of the draw that beat Stedebauer, who had beaten Black Hawks in the opening game of the playoff and followed up with a victory over Safeway. They finished tied with Black Hawks with two wins and a loss, but Black Hawks take the title because they won the last game.

Safeway also ended up with only one loss, but were knocked out after the second game. You could only take two losses if you lost the first game, after that it was straight knockout. It was the same in all divisions.

Red Wings defeated Lions 4-0 to win the pee-wee championship, but Lions were without the services of their top scorer, Matt Lister, who was injured in a rough game the previous night with Fire Department.

Gary Ferguson scored three goals for Red Wings and John Wells got the other. Flyers won the mite A

Dick's Plumbing 1-0 as Blake Millroy scoring the only goal of the game in the third period.

Dick's Plumbing coach Howard Grant protested the game on the grounds that Millroy had also played

games with Fire Department of the pee-wee league.

The protest was disallowed but hockey committee chairman Erling Winkist ruled that Millroy was ineligible to play any further games in the pee-wee league this season.

## Morinville curling news

The Morinville Curling Club has completed a very active year of square draw curling. The Ed Kryskow rink with Anne Kryskow, Helen Rousseau, Jim Rousseau and Henry Ramsay had the most points for the season. They lost only one game and tied one. The 20 rinks are at present playing-off for the trophy.

The mixed bonspiel was held the first weekend in March with 16 rinks participating. The Grand Challenge was won by the Ralph Gaetz rink with Rachell Brenneis, John Klobbe, and Cam Dubord, defeating the Jean Beaudre rink with Alice Borle, Maurice Borle and Angus McDonnell.

The second event was won by the Gordon Hittinger rink with Mary Hittinger, Julie Chalfoux, and Louis Chalfoux, defeating the Ed Kryskow

Helen Rousseau and Jim Rousseau.

The third event was won by the Ernest Houle rink with Irma Houle, Lawrence Fuchs and Ferd Vervynck. They defeated the Octave Himschoot rink with Roland Himschoot, Joan Schayes and Maurice Schayes.

The annual men's bonspiel starts on the weekend of March 21-23, with the second flight on March 27, 28, 29 and 30. The Thursday and Friday draws will commence at 7 p.m. Anyone wishing to enter this bonspiel phone 256-2382 or 256-3243.

The Curling Association is making preparations for its annual \$25 supper, to be held on April 19 in the Centre. Tickets are available from the business places in town and Mr. White at the Royal Bank.

## Bird decoys to be sport show feature

William J. Mackey Jr.'s priceless collection in antique bird decoys of North America will be another special attraction at Edmonton's first annual Boat, Trailer and Sport Show at the Exhibition Grounds April 9 to 13.

This collection of about 150 decoys reflects 40 years

of search and research and ranges from the common duck to the now extinct passenger pigeon.

Decoy-making was a flourishing American folk art until 1918 when the Migratory Bird Treaty Act, prohibiting the sale of wildfowl, became effective and ended market hunting.

These beautifully hand-carved and painted decoys are all that remain of an era that ushered in the age of conservation.

Eddie Holt, duck-calling champion of the world, also will appear at the giant sports show and perform daily.

In addition to entertainment features, there will be more than 200 exhibits of marine and aircraft, mobile homes, travel trailers and a full range of recreational vehicles and equipment — everything from four-wheel drive trucks, snowmobiles and sports cars to motorcycles, camping equipment and fishing and hunting gear.

## Easter Seal campaign on

Alberta's 1969 Easter Seal campaign is under way with an objective of \$185,000. This year the Easter Seal fund raising clubs from Red Deer south will be responsible for \$83,000 and fifteen clubs north of Red Deer and extending as far as Dawson Creek and Fort St. John will be responsible for \$102,000.

Four hundred and fifty thousand Easter Seal envelopes are now in the mail. Allan Zimmerman, 5-1/2, of Edmonton has been selected as Alberta's Easter Seal Timmy for 1969.

## Bishop Pike speaks to St. Albert

Sunday evening, March 16, at 8 p.m. is the time, and the St. Albert United Church is the place — and if you want a piece of the action, you had better be there! You've heard about Bishop Pike on the news — you've seen him on TV and you all know he's controversial. Now let's find out how this man feels about "Fewer Beliefs — More Be-

liefs."

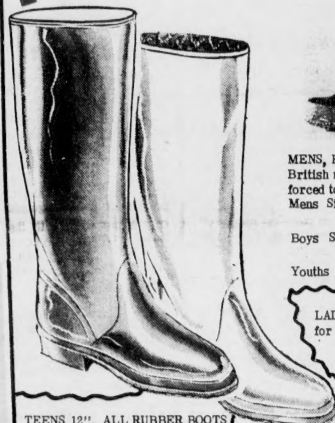

This prerecorded address is one of a series of talks originally delivered to the Banff Mens' Conference, and will shock and aggravate some, perhaps agitate others, and generally upset a number of appreciators.

Won't you consider this an invitation to join your friends and neighbors in

what will be an evening not easily forgotten.

We especially welcome teen-agers and young adults to this series and invite them to take part in the discussions provoked by Bishop Pike's views. We're sure they will "turn you on" and "tune you in" on what's happening in churches today. Refreshments will be served.

Canada, with a variety of interesting photographs. "Religion in Canada," says the author, "is the story of thousands of little churches with their hard, hard, right-angled pews that dot the rural landscapes of eastern and central Canada, as well as the story of the shining glass-walled structures on Mortgage Heights." "The history of Canada," writes William Kilbourn, "is inextricably bound up with the expansion

and expression of the Churches."

Religion in Canada is the story of the Jesuit Martyrs of Huronia; of the fight for Catholic separate schools and, in many provinces, of the shameful neglect of non-Christian minorities. It is the story of most of our colleges and universities, whose founders were clergymen.

Contemporary religion in Canada means the padre to the pube; therapy through psychodrama; and thousands of coffeehouses, run from church basements and church-sponsored storefronts. It means Street Haven, for female addicts and prostitutes on Yonge Street, an idea inspired by the so-called "junkie priest" Father Egan. These current developments are well represented in exciting photographs and text.

William Kilbourn and his colleagues, Patrick Watson and A. C. Forrest, examine religion's past, present and

future. Roman Catholic and Anglican, Presbyterian and Baptist, Unitarian, Jewish, Pentecostal and United - all these and more appear in the Canadian mosaic. Above all, this book tells of the dedicated men and women whose faith and courage helped to build this nation.

## the Gazette REFLECTS

Mayor Ray Gibbon wasted little time in protesting the provincial government's decision that residents of St. Albert must put their motor vehicles through Edmonton safety testing centre.

It is to be hoped that the mayors and Reeves of other centres surrounding the city that are to be affected by the decision show as much concern as quickly.

The decision is grossly unfair, as St. Albert residents who own cars made in 1960 or earlier now have less than three weeks to get them through the centre.

It is entirely possible many residents will find their vehicles require fairly extensive repairs, which means right now they will face a bill Edmonton residents had three months to prepare for.

It seems funny the government would wait this long to make the decision. Wouldn't it have been just as simple to have included St. Albert and other surrounding centres at the beginning? It was known right from the start how many vehicles the centre was capable of handling each day.

There are some, however, who claim the government actually has very little interest in the safety angle. It is the \$2 initial testing charge and the \$1 fee for each return visit, they say, that has caught the government's eye.

The provincial government boasts that Alberta is one of the few provinces without a sales tax. However, looking at the vehicle inspection centre, maybe it's just that it is going to come under a different label.

## Musical come dy at Civic Theatre

The musical comedy "How to Succeed in Business Without Really Trying" will be presented by Civic Musical Theatre on March 13, 14 and 15. Curtain time is 8:30 p.m. at the Jubilee Auditorium.

Tickets are available at all International Ticket Bureau outlets, including: Palace of Sweets, 10122 Jasper Ave. Chateau Lacombe, 101 St., and Bellamy Hill and Hub Cigar Store, 10345 - 82 Ave. It is a businessman's comic strip telling a story of how a young man named Finch (played by Joe Vassos) rises from window wash to Chairman of the Board of the World Wide Wickets Company.

Finch in this exaggerated spoof on the people in big business corporations, follows the instructions of a book entitled, "How to Succeed in Business Without Really Trying."

The whole show is intertwined with delightful music such as "Brotherhood of Man," "I Believe in You," and "The Company Way."

Bud D'Amur is director of the show. John Hermans is in charge of the music. Choreography is done by Brian and Carol Foley who have combined some of

Civic's best dancers with several of the dancers from their own Toronto Studio.

So's the paint. Deep. Smooth.

Mazda is pretty.

Inside, Mazda is pretty and practical. For example: Mazda's curved glass side windows are a tasteful styling feature, but they also add inches to interior space. The sloping hood and large glass areas make for great visibility and great looks. Beneath the attractive rear deck, you'll find room for four or five big suitcases. Sit in a Mazda, and you'll sit behind round, readable instruments. Lots of them. And the instruments sit in a woodgrain dash. Just like an expensive European GT. SEATS THAT RECLINE. # Native tourney scores big hit

MORINVILLE - Recently the Alexander Reserve Indian Council hosted the first native hockey tournament ever held in this district under the able directorship of Mr. Tony Arcand, PRO for the council and coach of the Alexander Braves hockey team. He was assisted by the Morinville Sports Association executive, local hockey sponsors in charge of the Morinville arena.

In all, seven teams took part in the two day tournament. The colorful formal opening on Saturday featured the presentation of the Canadian flag, by Mr. Stan Daniels, president of the Native and Metis Association of Alberta, and Mrs. Daniels, in beautiful native costumes.

Mr. Tony Arcand was master of ceremonies and after a few words of welcome.

come he officiated at the face-off of the first match between Hobbema and Saddle Lake teams. Hobbema won this game. The second game was between Grouard and the Native Sons of Edmonton, with the Native Sons scoring a victory. The Montana Warriors from Hobbema met the Alexander Juniors next with the Warriors winning. In the evening game Saturday, the Alexander Braves won over the Glenview team.

On Sunday the Native Sons defeated Hobbema in the opening game. The Alexander Braves scored a victory against the Montana Warriors, also from Hobbema in the second game of the afternoon.

In the evening a very entertaining "Pow Wow" program featuring a corps of native drums was presided over by Mr. Ed Lavallee, a native from northern Saskatchewan. Mr. Lavallee holds two university degrees and chose the latest new style of native hat for the occasion. He marshalled the parade of native officials and dignitaries and introduced them as they performed traditional Indian dances.

Mr. Archie Arcand from the Alexander Reserve speaking in Cree, was the master of ceremonies at the microphone. Also taking part were Mr. Alphonse Thomas of Winterburn, Mr. Joe Burnstick, Mr. Stan Daniels, Mrs. Daniels, Mrs. Cathy Saulmas, Chester Cunningham, Chief Henry Paul, Chief Henry Peacock and his wife Violet, and many others.

Face-off followed for the final game between the Alexander Braves and the Native Sons, with a large audience to cheer the teams on. The two first periods ended with the Native Sons ahead 4-3. With less than two minutes to go before the final whistle Jerry Burnstick shot a fast puck into the net to even the score. This popular player received a great ovation

from the crowd. With only seconds remaining in the game, Jerry repeated his star performance and a roar went up from every corner of the large arena as the game ended with Alexander Braves winners of first money and the special trophy. Mr. Chester Cunningham presented the huge trophy to Mr. Martin Arcand captain of the Alexander Braves. Joining the victors were Chief Henry Paul, Coach Tony Arcand and Manager Alex Augibelle. Jerry Burnstick also received a special trophy as the most valuable player.

It was announced that the next Native hockey tournament is scheduled for Ponoka, March 14-15 when 16 or more teams will participate from Alberta, British Columbia, Saskatchewan and Manitoba.

A number of native dignitaries present expressed their satisfaction with the success of this first native tournament in Morinville. President Stan Daniels, who is the great grandson of Chief Michel Calahoo, reported that there are over 3,000 members of the Native and Metis Association and that there is a great trend among the people for recognition of the natives at all levels of society. "We are also trying to co-operate in every way to gain acceptance," stated Mr. Daniels, "and this tournament is a prime example of getting our people exposed and participating in sports."

Mr. Ed Lavallee attracted much attention with his new black Indian hat. A very presentable young man, he is a graduate of the University of Saskatchewan with degrees in arts and science and serves as a councillor in the youth department of the Alberta government. He stated he was very pleased with his first visit to Morinville.

Chief Henry Paul, Tony Arcand, Archie Arcand and Joe Burnstick, of Alexander Reserve also expressed

their pleasure at the success of the tournament. "Without the help of the Morinville Sports Association, the use of the Morinville Arena and the splendid co-operation of the people of this community it would have been impossible to achieve this," stated Tony Arcand. "We hit a few snags in this first tournament, but on the whole we are most grateful for the turn out of hockey teams and the support we have received locally."

"It is hoped that many more such co-operative social events can be organized to help. We wish to acknowledge the personal efforts of the volunteer ladies from Morinville who served at the booths, Mr. Pete Gibeault, Mr. David Chevalier, Mr. Norman Tremblay and Mr. Leopold Bonissonault and many others who helped at Morinville."

Mr. Lawrence McDonald was time-keeper and Mr. Ronnie Arcand time-keeper.

## More certified bulk seed

More bulk certified cereal seed should be available this spring in Alberta, predicts Crops Specialist Sherman Yelland.

Mr. Yelland, supervisor of cereal and oil seeds for the plant industry division, indicates that more of the municipal seed cleaning plants have become authorized establishments co-operating with the seed trade in the distribution of the improved seed.

He claimed that cleaning plants must meet high standards before they are approved as authorized establishments by the federal government. This enables them to clean certified seed for members of the seed trade or seed dealers.

At the present time, plants at Three Hills, Paradise Valley, Stony Plain, Rosebud, Betsaker, Barrhead, Bashaw, Wainwright, Vermilion have been approved. It is thought that many of the other 65 plants will be seeking approval in the near future.

Mr. Yelland noted that Alberta has lagged behind the other prairie provinces in the merchandising of this improved seed. Last year the Alberta movement amounted to only about 60,000 bushels compared to 400,000 in Saskatchewan and 314,000 in Manitoba.

The Alberta Department of Agriculture is pleased, he said, that the seed cleaning plants are being given the opportunity of assisting the seed growers and the trade to make this superior seed available to the commercial farm operator.

Don't spoil your chances of receiving malting grade for your barley by sowing seed with a mixture of feed barley. Buy a pedigreed variety and be assured of purity.

# Morinville Memos

Mr. Joseph Nolte is recovering from surgery in Edmonton hospital.

Rev. Dr. Majorie Baril from McLellan was a visitor in Morinville recently calling on the families of Mr. and Mrs. Tom Campbell, Mr. and Mrs. Bertrand Dosier and Mr. and Mrs. Emilie Morin all former residents from the North.

On March 18 some 50 members of the order, Sisters of St. Joseph of London, Ontario will perform at the Jubilee Auditorium in Edmonton.

Last week the Morinville Legion BESL No. 176 Morinville, held their annual meeting and election officers for 1969. Elected president was Lou Calder; 1st Vice-President Joe Krauskopf; 2nd Vice-President, John Saunders; 3rd Vice-President, Leo Brochu; Secretary-Treasurer, Leslie McDonald.

Mrs. Stella St. Laurent was elected president of the ladies auxiliary, Mrs. Zel McDonald was elected 1st vice-president; Mrs. Jo Calder, 2nd vice-president Mrs. Pat Krauskopf, secretary-treasurer.

Lt. Abner Day was celebrated at George Vanier High school last week. The top Lt. Abner prize for costume was won by Lance Rak, Miss Lorraine Mercier won the Daisy costume prize for girls.

Mrs. Laura Kleser received a most surprising birthday gift from her daughters recently when they took her to see "Jose Greco and his Spanish Dancers" at the Jubilee Auditorium.

This delightful evening started with supper at the apartment of her granddaughter Miss Lorraine Pelletier and room mate and ended with lunch at the Blue Danube, with the orchestra playing a special tune for Mrs. Kleser's birthday and ending with "Good Night Ladies" when she left.

Miss Wendy Vranas is back at school again after an ear and adenoid operation.

Morinville was ousted from the provincial intermediate D playoffs last weekend, losing to the Capital City Packers from Edmonton.

The teams were tied 10-10 at the end of the second game of the two-game total goal series in Morinville on Sunday, but the Packers won it in overtime.

Morinville failed to make the playoffs in the Sturgeon River Senior Hockey League.

The Morinville Parish Council is sponsoring a chicken supper, entertainment and a bingo on Sunday, March 30, in the Morinville Centre beginning at 5 p.m. to 7 p.m. for the supper. Bingo will begin at 8 p.m. David Rorke is the chairman of the supper committee. At its first meeting, after the recent election of four new members, Andre Ricard was elected chairman and Guy St. Germain vice-president. Mrs. Lorette Champagne continues as secretary.

Last weekend Morinville played host to the first all-native hockey tournament in the district. Seven games were played and the Alexander Braves won trophy in the final game Sunday evening. Full details next week on this most successful community project.

Congratulations to Chief Henry Paul, Tony Arcand, and other members of the Alexander Reserve Council, and the Morinville Sports Association, for bringing this colorful native tournament to Morinville.

One of the first great works of English literature, *Canterbury Tales*, was never completed. Geoffrey Chaucer had completed less than a fifth of the stories he planned by the time of his death in 1400.

MR. AND MRS. JAS. GIBEAU

## Wedding

St. Emile's Church was the scene of a beautiful afternoon wedding when Miss Pauline Garneau, daughter of the late Mr. Louis Garneau and Mrs. Garneau from Legal was united in holy matrimony to Joseph Gibeau, son of Mr. Hector Gibeau and the late Mrs. Gibeau from Morinville.

The double ring ceremony was performed by Father Martineau before an altar banked with baskets of assorted flowers. Soloist George Lavallee was accompanied at the organ by Sister Corriveau.

Entering the church at the arm of her brother Edward, the bride looked radiant in her beau d'elegance gown enhanced with gurgule lace on bodice set in sleeve with lace insert, detachable shoulder train trimmed with matching lace. Her bouffant nylon tulle veil was accented by lace appliques and held in place by a lace daisy crown topped with aurora borealis trimming. She carried a bouquet of red roses with rosebuds on satin streamers.

Bridesmaids Emilie Prefontaine and Doreen Vervynck were identical floor

length gowns of olive green organza over taffeta with a fine smocking bodice and their empire waist banded with satin and front bow. Their hairpiece was of aurora borealis tiara. They carried cascades of white cornellus, lily of the valley and pink baby roses.

The groom's attendants were Gerald Keane and Kenny Lesburg.

Ushers were Romeo Gibeau and Leon Garneau.

For her daughter's wedding Mrs. Garneau chose a two piece purple fortrel suit with matching black accessories and tinted purple roses on corsage.

A banquet and reception was held at the Legal Community Centre with some 150 guests. Master of ceremonies was Fernand Gibeau, brother of the groom, Leandre Letourneau proposed the toast to the bride.

Out of town guests came from Vancouver, Rycroft, Beaumont, Lac la Biche, Calgary, St. Paul, Wildwood and Kitscoty.

Following their honeymoon to the States the happy couple will reside in Edmonton.
